

You are invited **Monday, October 6, 2008!**

“Building Healthy Neighborhoods”

working with Northwest and El Cortez Heights neighborhoods for...

Healthy homes!

safe, energy-saving, healthy houses in your neighborhood

- *Learn about the sun & how it impacts your utility bills*
- *Learn about strategies & technologies*
- *Learn how to evaluate these for effectiveness and cost*
- *Go through an example with hands-on group activities*

Solar Energy at Home Workshop

Monday, October 6, 2008
